Why Expo 2009?

Expo 2009 connects Cary Chamber businesses with other Triangle businesses and consumers. The Expo is a proven outlet for members to take advantage of a cost effective marketing opportunity, network and establish relationships with potential customers. To ensure maximum returns, the Chamber promotes the Expo in major media outlets including the Cary News, News & Observer, the Triangle Business Journal, WRBZ 850 the Buzz and 620 AM The Bull. Utilizing Prestonwood Country Club as an exhibition site has attracted business from all parts of the Triangle.

Assignments

Sponsors are given first priority on booth selection. **All tables and booths are assigned on a first come, first served basis.** Booths and tables are available to all Chamber members. When submitting a registration form you must give your first, second and third choice for a booth or table to assure you are assigned a spot. As a reminder, registration is not complete until payment is received in full. Participation in the Expo is offered to Cary Chamber members only and exhibitors are prohibited from sharing or subletting an assigned space.

Display Information

Booth Specifications:

10' x 6' (floor area) exhibit booths include an 8' table or 2 6' tables (covered and skirted), an 8' backdrop, 3' sidewalls, and two lunches. Booth locations may utilize the square footage of their display area within their location, i.e. floor displays.

Table Specifications:

6' tables (covered and skirted) and include one lunch. All tabletop displays must be contained to the table and material displays can be up to 5'.

Display materials are not allowed on the floor space around the table.

Note: All electrical needs must be specified during the registration process
