
The Cary Chamber of Commerce
2012 Intercity Visit - Austin/Round Rock/Leander, Texas Metro Area
May 2 - 4, 2012

Austin/Round Rock/Leander, Texas Metro Area

Delegates from the Cary Chamber will venture to Austin/Round Rock/Leander, Texas Metro Area, to learn about these municipalities and bring back ideas to implement in Cary as we continue to improve our own community.

Preliminary plans for Intercity Visit 2012 include tours and presentations involving downtown development & redevelopment, transportation, and mixed-use development. Since enhancement of cultural amenities and improvement of our quality of life remain top priorities, we will also explore cultural arts and recreation venues as well. This looks to be one of the most educational, engaging, and entertaining Intercity Visits to date.

In the past a number of elected officials, community and business leaders have made this biennial trip. We would like to have your input as we gather and bring this valuable information back to Cary. Mark your calendars for May 2-4 for the most important networking trip in 2012.
