

## MATERIALS SPONSOR

Throughout the year, the Cary Chamber is required to purchase items that are needed to promote community and Chamber events. Sponsorship of such items will help to hold down the costs of these promotions and position us to be a more public entity in these endeavors.

**Sponsorship:** *Sponsors will receive the opportunity for self promotion on our Monday email blast six (6) times during the year. The value of this advertising is set at \$600.*

Four (4) positions available.

**\$400**
