
The Cary Chamber of Commerce
2004 Intercity Visit - Scottsdale, Arizona
March 25 - 28, 2004

Scottsdale, Arizona

Delegates from the Cary Chamber will venture to the Valley of the Sun, which includes Mesa and Tempe, with base location, Scottsdale, Arizona, to learn about the cities and bring back ideas for Cary to implement as we continue to improve upon our infrastructure and quality of life.

There are a number of similarities between our cities that have drawn our attention to Scottsdale. Cary has become a premier spot for amateur sport venues. Preliminary plans include tours of Scottsdale's state of the art aquatics center and baseball facilities. As culture and quality of life improvement remain a top priority, visits to a number of cultural arts and recreation venues are being planned.

As in each of the first four visits, several issues are to be visited on the trip. We'll focus on government, infrastructure growth and restrictions, various business related issues and as mentioned above, recreational & cultural facilities. This looks to be the most informative yet entertaining Intercity Visit yet.
