

2010 Reverse Car Raffle & Auction

This yearly event favorite was held on February 25th at Prestonwood Country Club's Grand Ballroom. With over 300 in attendance and more than 350 donated auction items, a great time was had by all and many great items were purchased. A special thanks to both **Hendrick Chevrolet** for the Malibu Hybrid that was raffled off at the end of the night, and to **Prestonwood Country Club**. We would also like to thank our many generous members who donated items to be raffled. This event and others like it are always a success because of you!
