LEADERSHIP CARY 2018-19

Identifying and Developing Potential Leaders for the Future of Cary and the Triangle

PROGRAM SPONSORS

CORPORATE PATRONS: Duke Energy, NC State Athletics, and Town of Cary

ABOUT LEADERSHIP CARY

Leadership Cary is a unique, seven month program that exposes participants to multiple facets of the community including next-level leadership skills, local non-profits, health & medical services, economic development, local government, entrepreneurship and innovation, law enforcement and many more. Through the program Leadership Cary participants develop meaningful, lasting relationships with multiple industry leaders spanning all industries both large and small.

PARTICIPATION

In order to get the most out of the Leadership Cary program, we recommend scheduling accordingly to be able to attend all sessions. Attendance is mandatory; therefore commitment to the program is necessary for participation. Please note, you may only miss up to two sessions. Attendance for each session accounts for the session's start time until it's end time and we request you plan to be there the entire day.

WHY SHOULD YOU OR AN EMPLOYEE PARTICIPATE?

While learning about the important elements of the community, you will find that participants establish a great amount of contacts - both with fellow participants and with the leaders that the group meets with throughout the program. Participation in Leadership Cary also opens the door to other, triangle wide leadership programs.

Cost: \$750 (will be invoiced once accepted)
